

PLUG, PAIR AND PLAY
TURN YOUR IPOD, IPHONE OR IPAD DOCKING INTO A BLUETOOTH RECEIVER

Compatible with Bluetooth smartphones, tablets, pc's and notebooks

Docking not included - is only displayed for clarification

packed in a nice blister in which the product is visible

PMR 200BTi
BLUETOOTH RECEIVER

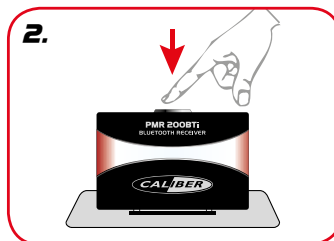

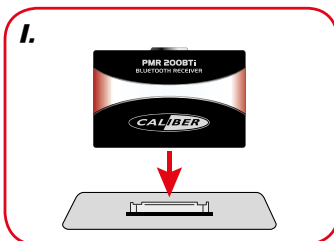

Turn your iPod, iPhone or iPad docking (with 30 pin Dock Connector) into a Bluetooth receiver (Wireless connection up to 10 meters)

Compatible with Bluetooth smartphones, tablets, PC's and notebooks (version 2.0)

Still use for your 30 pin Dock Connector items, even with the iPhone 5 or Android devices!

HOW IT WORKS:

INSTRUCTIONS

1. Connect to any 30 pin Dock Connector
2. Turn on the PMR 200BTi
3. Search for the PMR with your device
4. Select 'Caliber' from the list
The pass-code is '0000'
5. Ready for use. Get streaming!
